### **Hall of Fame- Nomination Submission**

The Bay High School Athletic Hall of Fame Association (BHAHOF) is accepting nominations for potential inductees, (Induction Class of 2012). Submissions for class of 2012 athletic nominations will be accepted through the 20<sup>th</sup> of February 2012 for the Fall 2012 induction. All nominations received after the 20<sup>th</sup> will be automatically forwarded to the 2013 review process.

The BHAHOF recognizes athletes, coaches, teams and contributors to the Bay High School (BHS) athletic program. Eligibility requirements for nomination are as follows; Students are eligible for consideration 10 years following the graduation date. Teams are eligible for nomination on the 10 year anniversary of team's season submitted. Dual nominations for teams and individual athletes *cannot* be considered in the same induction year. Coaches, special contributors and employees of the school district to BHS Athletics can be nominated 5 years after departure or retirement from BHS.

It is important to note that the selection process is based on the nominee's athletic career while **attending BHS only**. Post high school information is not considered in making any of the selections to the Hall of Fame and will not be used as a basis for selection. Information is used in order to verify data against our historical records and have more complete package for board in reviewing the nominees.

The BHAHOF makes its best selection when provided with as much specific information as possible about the nominee's high school athletic career and achievements. All information concerning sports, positions, statistical information, honors, letters, scholastics, and other related athletic information will be factored into decision.

Any individuals or teams that have been nominated, and have not been selected by the committee for current year, will be forwarded automatically for review the following year. Any additional information newly submitted will also be reviewed and considered.
